Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I appreciate being able to get this
specially mixed compound based on my
needs. I cannot get that anywhere
else that I know of. I do not see any
problem with them being shipped over state
lines. There is 2 day mail service.

Thank you -
These prescriptions have definitely improved by
quality
